

Family Urban Disaster Planning Links

The enclosed active links will take you to documents and information noted in the Family Urban Disaster Planning Three Key Elements book. At the time of publication, all links are active and will access the material as noted. These documents are housed on the Emergency Action Planning website. Links are shortened with bit.ly for ease of copying and saving space.

If you would like to review where these links take you before clicking them. Go to <https://unshorten.it/>

Although the author and publisher have made every effort to ensure that the information and links in this book were correct at press time, the author and publisher do not assume and hereby disclaim any liability to any party for any loss, damage, or disruption caused by errors or omissions, whether such errors or omissions result from negligence, accident, or any other cause.

The resources in this book are provided for informational purposes only. They should not be used to replace the specialized training and professional judgment of a health care or mental health care professional. If you need specific advice (for example, medical, legal, financial, or insurance) please seek a professional who is licensed or knowledgeable in that area.

The information is presented in Word and PDF files except for YouTube videos. Some files are compilations from multiple public sources or in their original format. The author and publisher do not claim any intellectual rights over this material.

Trademarks, brands, and products mentioned in these files are for informational purposes only. No sponsorship or endorsement by the respective owners is claimed or suggested.

You will need access to software that will allow you to read the material:
